Retraction: A comparison of Delta and Omicron waves of COVID-19 pandemic: An observation from a tertiary care center from North India

The article titled, “A comparison of Delta and Omicron waves of COVID-19 pandemic: An observation from a tertiary care center from North India”^[1], published in Medicine India is being retracted.

It was recently brought to the notice of the Editor in Chief, that the concerned article had authorship issues. The claimant, Dr. Vinod Maurya, mentioned that the data presented in the article belong to him and his group. Upon investigation, the authors of the published manuscript agreed to the error and therefore on the grounds of authorship disputes, the article is being retracted.
